Wolff Otto
Remedies for the Typical Diseases. This booklet is concerned with the new remedies developed by R. Steiner using new ways of thinking about remedies and new methods.
Wolff Otto
Anthroposophic Medicine and its Remedies. *This booklet offers a clear introduction to anthroposophical medicine in response to commonly asked questions on the subject. It includes a basic discussion of illness and healing, an historical view of remedies, and a description of the new anthroposophical methods of preparing remedies.* Mercury Press. Spring Valley, NY, USA, 78 pp.
